TOWN WARRANT  
THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 7:30 P.M.  
TUESDAY, MARCH 12, 1991

BUSINESS MEETING STARTS AT 7:30 P.M. ON  
WEDNESDAY, MARCH 13, 1991

AT THE BROOKLINE ELEMENTARY SCHOOL

To the inhabitants of the Town of Brookline in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Brookline Elementary School in said Brookline on Tuesday, the twelfth (12th) day of March at 10:00 a.m. to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to raise and appropriate the sum of \$590,300 for the renovation and expansion of the town hall building, and to authorize the issuance of not more than \$471,000 in bonds or notes in accordance with the provisions of the Municipal Finance Act (Chapter 33 of the RSA'S) and to authorize the selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to authorize the selectmen to apply for any federal, state or private funds that may be available to reduce the amount of funding; furthermore to authorize the withdrawal of \$69,300 plus accrued interest to date of withdrawal from the Expansion of Town Offices and Library Capital Reserve Fund created for this purpose, with the balance to be raised by taxes. (Recommended by the Finance Committee and Board of Selectmen 6-0)
3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
4. To hear reports of Agents, Auditors, Committees, and all other Officers heretofore chosen, and pass any vote relative thereto.
5. To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes in accordance with RSA 33:7.

6. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the state, federal or another government unit or a private source which becomes available during the year in accordance with procedures set forth in RSA 31:95b, provided that no additional Town monies be spent.

7. To see if the Town will vote to raise and appropriate the sum of \$50,000 to be placed in the Capital Reserve Fund for expansion of town offices and library, or take any action relative thereto. (Recommended by the Finance Committee and Board of Selectmen 6-0)

8. To see if the Town will vote to raise and appropriate the sum of \$25,000 to be placed in a Fire Department Equipment Capital Reserve Fund, or take any action relative thereto. (Recommended by the Finance Committee and Board of Selectmen 6-0)

9. To see if the Town will vote to raise and appropriate the sum of \$10,000 to be placed in a capital reserve fund for a police cruiser, or take any action relative thereto. (Recommended by the Finance Committee and Board of Selectmen 6-0)

10. To see if the Town will vote to raise and appropriate the sum of \$15,000 for the widening of Scabbard Mill Brook Bridge on North Mason Road, or take any action relative thereto. (Recommended by the Finance Committee and Board of Selectmen 6-0)

11. To see if the Town will vote to accept the following roads contingent on all outstanding fees being paid by the developer and a maintenance bond being in place in the amount of 10% of the total cost for the road, and that final acceptance has been approved by the Planning Board, Road Inspector, Road Agent, and Board of Selectmen.

Mountain Road, from sta. 0+00 to 25+00 (Mountain Road Estates subdivision)

Maxwell Drive (Jeffrey Ela subdivision)

12. To see if the Town will vote to eliminate all charges to users of the Brookline Ambulance Service, or take any action relative thereto. (By petition)

13. To see if the Town will authorize the Selectmen to accept private donations of land, interest in land or money for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the state matching funds under the LCIP for the purposes of acquisition of the fee on lesser interest in conservation land, or take any action relative thereto. Said appropriated funds and state matching funds may be expended by majority vote of the Conservation Commission with the approval of the Selectmen.

14. This measure would memorialize Congress to propose a constitutional amendment, for ratification by the states, which would specify that the Congress and the states shall have the power to prohibit the physical desecration of the American Flag.

WHEREAS, Although the right of free expression is part of the foundation of the United States Constitution, very carefully drawn limits on expression in specific instances have long been recognized as legitimate means of maintaining public safety and decency, as well as orderliness and productive value of public debate; and

WHEREAS, Certain actions, although arguably related to one person's free expression, nevertheless raise issues concerning public decency, public peace, and the rights of expression and sacred values of others; and

WHEREAS, There are symbols of our national soul such as the Washington Monument, the United States Capitol Building, and memorials to our greatest leaders, which are the property of every American and are therefore worthy of protection from desecration and dishonor; and

WHEREAS, The American Flag to this day is a most honorable and worthy banner of a nation which is thankful for its strengths and committed to curing its faults, and remains the destination of millions of immigrants attracted by the universal power of the American ideal; and

WHEREAS, The law as interpreted by the United States Supreme Court no longer accords to the Stars and Stripes that reverence, respect, and dignity befitting the banner of that most noble experiment of a nation-state; and

WHEREAS, It is only fitting that people everywhere should lend their voices to a forceful call for restoration to the Stars and Stripes of a proper station under law and decency; now, therefore, be it

RESOLVED, That the citizens of the Town of Brookline, New Hampshire respectfully memorializes the Congress of the United States to propose an amendment of the United States Constitution, for the ratification by the states, Specifying that Congress and the states shall have the power to prohibit the physical desecration of the flag of the United States and be it further

RESOLVED, That copies of this resolution be transmitted to the Speaker of the U.S. House of Representatives, the President of the U.S. Senate and all members of the congressional delegation from the State of New Hampshire. (By Petition)

15. To see if the Town will accept the following legacies:

1. The sum of One Hundred Dollars to be used for the perpetual care of the Norman and Helen Garceau lot #SF-8.

2. The sum of Two Hundred Dollars to be used for the perpetual care of the Harry S. Corey lot #219.

3. The sum of Two Hundred Dollars to be used for the perpetual care of the Nason W. Fessenden lot #212.

16. (By Ballot) Are you in favor of the adoption of an amendment to Article VIII, Number 11, Definitions of the Brookline Zoning and Land Use Ordinance as proposed by the Planning Board by deleting the existing Article VIII, Number 11, Frontage and replacing it with the following: "Frontage - That continuous portion of a lot line bordering on a highway, street, or right-of-way of class five or better, from which access is taken." (Recommended by the Planning Board)

Given under our hands and seal this eleventh day of February, in the year of our Lord nineteen hundred and ninety one.

Russell Heinselman  
Barbara Burckes  
Gregory Marszewski  
Selectmen of Brookline

A True Copy of Warrant - Attest:

Russell Heinselman  
Barbara Burckes  
Gregory Marszewski  
Selectmen of Brookline

It is our practice to recess at 11:00 p.m., however, we will continue if it appears that the meeting will not extend beyond 12:00.

If the meeting recesses at 11:00 p.m., the meeting will reconvene Thursday, March 14, 1991 at 7:30 p.m.

## SELECTMEN'S REPORT 1990

This year we saw a number of changes in the Town's employee roster. In July, Louis Nadreau was promoted to police chief to fill the position vacated when Donald Shattuck resigned to pursue a career as a private investigator in Florida.

In September, Louis Ennor was promoted to Transfer Station Supervisor to replace Oliver Bois who resigned. At this time, John Austin was also promoted from a temporary to a permanent position as Transfer Station Attendant.

In October, Wesley Whittier was appointed Ambulance Service Director and Building Inspector to fill the positions vacated when W. Bart Hunter was dismissed in August. Maryann McKee served as a daytime ambulance attendant and Warren Welch as the Building Inspector during the search process.

A number of projects were completed to improve the efficiency and serviceability of the Town Hall. Thermopane windows were installed in the second floor windows to complete a two-year weatherization project. The parking area by the library was paved and curbing was installed to control vehicular parking in that parking area. The office area occupied by the Police Department in the Town Hall basement was expanded to more adequately meet their needs. A wash well was installed to replace the contaminated dug well servicing the Town Hall and Fire Department.

The computerization of the Town departments continued with installation of a system to record tax collection and voter registration. The Town office computers were expanded to handle general ledger and check writing tasks.

The Brookline Veteran's Memorial donated by Eddy Whitcomb and sculpted by John Weidman was dedicated November 11, 1990, to honor town residents serving during the Korean and Vietnam wars. The memorial is situated on the Bond Street lawn of the Town Hall grounds.

The Town's voluntary recycling program is working well and has contributed significantly to stabilizing the cost of operating the transfer station. All townspeople participating are commended. Those not recycling are urged to join in. Remember the three R's: reduce, reuse, and recycle - they will continue to control transfer station costs and contribute to saving our Town and area environment for us and future generations.

Respectfully Submitted,  
Russell Heinselman  
Barbara Burckes  
Greg Marszewski  
Selectmen of Brookline

The Brookline Ambulance continues to serve the Town successfully with two paid daytime attendants and eight volunteer attendants who cover nights, weekends and holidays. Presently the daytime attendants are both qualified as National Registered EMT's; there are three Registered EMT's and five Advanced First Aiders as volunteer attendants. All attendants are CPR qualified and hold New Hampshire Ambulance Attendant Licenses.

The 1987 Braun ambulance has proven to be very dependable and versatile in providing primary basic life support to this community. Additional equipment has been added and further training of the attendants continues with monthly training sessions. Some attendants participated in the plane crash disaster drill in Hollis last fall. Other attendants have attended continuing education programs on their own time to further their medical skills.

The Volunteer Service is interested in talking with any Brookline resident who would be interested in joining the Service. If you have a basic interest in helping your community, we can provide the necessary medical training and encouragement for certification as a New Hampshire ambulance attendant. To learn more about this opportunity, please call the Ambulance Director anytime at (603) 672-6216.

The Service looks forward to another rewarding year. We thank the Town officials who have cooperated with us during the past year. We especially appreciate those townspeople who have made extra efforts to support us through donations of time, money and materials.

Wesley N. Whittier  
Ambulance Director

## BROOKLINE LIBRARY TRUSTEES

## 1990 ANNUAL REPORT

The number of registered patrons continues to grow, and the library continues to expand its services to the town under the capable direction of Librarian Claudette Gill and Assistant Librarian Claire Halley, who was welcomed to the staff after the resignation of Ann Sykes. Brookline is indeed fortunate to have the services of Claudette and Claire and the volunteers who help in running the library smoothly and efficiently. We are also fortunate to have so many people who donate money, books and other materials. To all of them we express our sincere thanks.

We are anticipating another busy and eventful year and are particularly interested in the outcome of the Town Hall Space Needs Study which will be voted on at Town Meeting in March.

Respectfully submitted,

REPORT OF THE POLICE DEPARTMENT

FOR THE YEAR OF 1990

Looking back, I would certainly have to say that from my perspective, 1990 certainly was not a boring year. During 1990 Don Valente left the department and Chief Shattuck left for warm sunny Florida. For full-time employees, that left me! I would like to express my sincere thanks to all of my part-time officers for their self-less dedication to the department during this transition period. It would have been impossible without you. I was promoted to Chief of Police in July and James Crocker and Brian McCarthy were promoted to full-time status shortly thereafter. Both of these men had been part-time officers with the department for about two years prior to their promotion. I feel that I was extremely fortunate to have these two people already employed by the department. This fact alone saved me many hours of interviews and tests. Both men now have to attend the Police Standards and Training Academy in Concord for a period of ten weeks. This is an overnight academy very similar to military boot camp. Upon the completion of this they will be full-time certified by the State of New Hampshire. I wish them all the best as they begin their careers in Law Enforcement.

After a period of several years of looking for more space for the department it came to be in September. Although we will still be needing more room in the future, this has certainly made our present task a lot easier. Many thanks to the Board of Selectmen for their support in this endeavor.

As we are all aware, the economic picture at present and for the immediate future is quite dim. The last few months of 1990 showed a marked increase in crimes against property, such as thefts and burglaries. Everyone should be extra cautious and more aware of people and events in their neighborhood which seem out of the ordinary. Your observations and involvement could prove vital in identifying and apprehending people committing these crimes. It was this type of involvement which allowed us to solve five of last years burglaries and arrest the guilty parties.

In closing, I just want to thank the Board of Selectmen for their confidence and support in my appointment as chief and for their continued support thereafter. I would appreciate any and all ideas or suggestions that might make this department more sensitive or responsive to the needs of any of our citizens.

In October, after a public hearing, some of the permit fees were increased to reflect the number of inspections required for the type of project.

After November 18, 1990, the Building Inspector began reviewing all specfic system designs prior to submittal to the State. This ensures that all plans meet the Town of Brookline Wetlands Ordinance as amended in March 1987.

The Driveway Permit process has now come within the juristiction of the Building Inspector who coordinates with the Road Agent for appropriate location and proper construction.

The Building Inspector's office is open daily from 8:00 to 9:00 am for review of building plans and accepting permit applications. Appointments may be scheduled for other times for inspections and plan review. The office phone number is (603) 673-8925 which is answered up until 2:00 pm Monday through Friday.

## BROOKLINE VOLUNTEER FIRE DEPARTMENT

BROOKLINE, NEW HAMPSHIRE 03033

### REPORT OF THE FIRE ENGINEERS

The Brookline Fire Department responded to 69 calls for the year of 1990.

#### BREAKDOWN OF CALLS AS FOLLOWS:

- 2 Structure fires
- 9 Chimney fires
- 6 Fire alarm activations
- 15 Mutual aid calls
- 2 Brush fires
- 1 Automobile fire
- 1 Illegal burn
- 33 Other calls consisting of gas leaks, smoke investigation, dump calls, electrical fires etc.

The number of calls are up slightly over last year, but actual fire calls are down.

The New Fire Truck, 5 engine 3 that was delivered in november 1989 has been fully equipped and is now being used as a first line attack truck as well as a tanker.

Most Insurance companies offer a better rate for Fire insurance on property in small towns if the local Fire department can respond initially with 1500 gals. of water or more. Brookline can now respond with 4500 gals. of water in its initial attack. We respond with 1000 gals. of water on each 5 E1, 5 E2, and 2500 gals of water on 5 E3.

The original fire station roof was reshingled with 30 year warranteed shingles in September 1990.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During Calendar Year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control and rekindled fires. All of these fires are preventable, but ONLY with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire Division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System (ICS), an incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

### Summary:

1) Equipment: Our biggest expense this year was a raft and new tables. All are one time buys and add a great deal to the Grove.

2) Future Plans: A new lifeguard stand, phone, electricity, and lockers (for employees) in beach shed. A permanent restroom and concession stand. We are now looking for a full time manager to maintain Grove area (ie: trash run, toilets, right-of-way maintainance, etc.).

### SUMMARY

1) Maintenance: lime, seed, loam, fertilizer, electricity, portable toilets, grading parking lot, and repairs to park equipment and structures.

2) Park Improvements: underground water, phone and electric lines installed, increased fencing

3) Miscellaneous: Keys and locks, also this year the recreation commission gave money to the Brookline Jr. Baseball program to help get the new instructional league off the ground. The commission also gave a small contribution to the Brookline Basketball League.

4) Plans for 1991 - Park Improvements

- A) Installation of water bubbler
- B) Protection fencing for the Babe Ruth field
- C) Little League Team Benches

5) Future Goals: Preliminary steps taken in 1990 (ie: underground water/electric) are in our hopes to continue towards the construction of permanent restroom/concession facilities.

Other goals include dugouts, water, and electricity to the Babe Ruth field, and a Irrigation System.

### SOUHEGAN REGIONAL LANDFILL RECYCLING REPORT

The Landfill District, comprising the towns of Amherst, Brookline, Hollis and Mont Vernon began an active voluntary recycling program on June 10, 1989.

Recycling guides were distributed and made available to all the townspeople. The guides contained the proper procedures to follow on how to and what to recycle. All the schools in the four towns received the A.V.R. Teacher's Resource Guide for Solid Waste & Recycling Education from grades K-12. The Association of Vermont Recyclers' material was used as a start, as New Hampshire did not have a curriculum ready at this time. New Hampshire Recycling Education for grades K-6, "Trash Today, Treasure Tomorrow" was distributed to all the schools in the State in September 1990.

The contractor chosen by the Commission to collect, sort and market the recyclables was New England CRInc. of Billerica, MA. for a period of 18 months. A co-mingling approach seemed the easiest and quickest way to go. Co-mingling being: all glass, plastic and metal food containers placed in one bin with no sorting needed. Newspapers, brown paper bags, computer print paper and corrugated cardboard were also in the recycling package. The major thrust at this time was to save space and the life of the existing Landfill in Amherst.

The S.R.L.D. Commission and Department of Environmental Services of NH strongly felt that the escalating costs and future hazardous problems at the site, warranted closing as soon as possible. Dumping was halted in mid 1989. Closure plans are being finalized and we have now become the Amherst Recycling & Transfer Station. The recycling center is located at the top of the hill with green bins and signs as to what containers to deposit your recyclables. The center also accepts used tires and motor oil; car batteries; metal wastes; white goods (refrigerators, etc.) and a compost pile for leaves and grass cuttings.

The brown trash compactors are located at the bottom of the hill and are hauled to Penacook, NH incinerator. Upon completion of the closure, the recycling bins will be relocated near the entrance to make it most convenient for all citizens to actively participate.

Recycling makes good sense, as it reduces the amount of trash to be buried or burned. Recycling conserves resources by returning valuable materials to industries which can reuse them rather than throwing them away. Those weighty trash bins have costly tipping fees attached to them.

The economics of recycling is getting better all the time. We are not recycling unless we close the loop by buying recycled products. Supply must equal the demand. By practicing the 4 R's, Reduce, Reuse, Recycle and Reject overpackaged, single use and disposable goods, we can manage the huge solid waste issues facing us.

At the present time, the District is hauling the OCC (corrugated cardboard) to the Container Corp. on 101A in Nashua. The newspapers are being hauled to the Knox Dairy Farm in Weare, to be used for animal bedding. The co-mingles, as in the case of the metals, they can be used again and again for either food or nonfood items. Plastics are made into a variety of materials, fiberfill for jackets, sleeping bags, etc., insulation, plastic piping too numerous to list. Glass reduced to cullet can be reused in glass products or in highway construction. Recyclables take less energy to process as compared to mining and or using virgin material.

The District has recycled 950 tons this year. Future plans are to first increase participation, through education. Second to hopefully start a collection of waste paper and paper board, our largest percentage of waste. "Think recycling - don't waste the 90's!"

Milford Area Communications Center

The final figures have not been tabulated for 1990, however it is anticipated that the Milford Area Communications Center will finish the year well within budget. The 1991 budget has decreased by 2.02%

The Milford Area Communications Center employs six full time dispatchers along with several part time dispatchers. Most of the dispatchers have gone through extensive training, including, but not limited to, Emergency Medical Dispatching, a Public Safety Dispatcher Certification Program and Fire Service Dispatching.

The Center has installed a new computer system. Which allows Dispatchers to maintain logs and access to necessary information for the operations of the center. A State Police On-Line Terminal System (S.P.O.T.S.) was also installed in the center that allows us access into a nation wide computer system. In addition, a "voting system" was installed at the end of the year which receives signals from multiple antenna locations, compares the quality of the signals, then selects the strongest to come through to the console. Thus enhancing our reception greatly.

We here at the center look forward to another year of service to all the area departments and the residents of the six area towns.

On a personal note.....As I enter into my third year as Director of Communications, I would like to close this report with my own heartfelt thanks to all of you for your continued support; and, I look forward to serving you in 1991.

Respectfully Submitted

 *Michael E. Putnam, SR.*

BROOKLINE SPECIAL SCHOOL DISTRICT MEETING  
February 12, 1990

The Brookline Special School District meeting was held on Monday, February 12, 1990 at the Brookline Elementary School. Surrogate Moderator Richard Maghakian opened the meeting at 7:36 P.M. with the reading of the warrant:

Shall the Brookline School District accept the provisions of RSA 195 (as amended) providing for the establishment of a cooperative school district, together with the Hollis School District in accordance with the provisions of the proposed Articles of Agreement filed with the School District Clerk, and by said vote, dissolve the current AREA agreement with the Hollis School District as of July 1, 1991.

Alan Haight and Dotty Haight moved and seconded that the Brookline School District accept the provisions of RSA 195 (as amended) providing for the establishment of a cooperative school district, together with the Hollis School District, in accordance with provisions of the proposed Articles of Agreement filed with the School District Clerk, and by said vote, dissolve the current AREA agreement with the Hollis School District as of July 1, 1991.

Moderator Thomas Arnold, Jr. opened the meeting to questions and discussions. Residents of Brookline noted poll of Jr. and Sr. High students overwhelmingly support a Co-op with Hollis. Questions regarding long term commitments were raised, particularly if a bond to build is eventually recommended.

A presentation was made by the Brookline School Board pertaining to the Report and Proposed Articles of Agreement for the Hollis/Brookline Cooperative School District and Brookline Middle School Feasibility Study (copies appended to these minutes). Questions and comments by Brookline residents followed including a possible abatement credit program and comparisons of a 3 town vs. a 2 town co-op, particularly as relates to core capacity, procedure for Brookline to annex to Amherst-Mont Vernon, costs and possible alternatives.

A motion to end discussion and vote on warrant as presented was made. Residents of Brookline moved and supported this motion.

Moderator Arnold requested a hand vote to allow the main motion that Brookline School District accept the provisions of RSA 195 (as amended) providing for the establishment of a cooperative school district, together with the Hollis School District, in accordance with the provisions of the proposed Articles of Agreement filed with the School District Clerk, and by said vote dissolve the current AREA agreement with the Hollis School District as of July 1, 1991 be put to ballot. A majority was in the affirmative.

At 8:52 P.M. voting by printed ballot began. The polls were closed at 9:29 P.M., and ballots were counted by the Supervisors of the Checklist. 209 registered Brookline residents voted. Moderator Arnold announced that the Brookline residents had accepted the provisions of RSA 195 (as amended) providing for the establishment of a cooperative school district, together with the Hollis School District, in accordance with the provisions of the proposed Articles of Agreement filed with the School District Clerk, and by said vote dissolve the AREA agreement with the Hollis School District as of July 1, 1991. He announced the vote: 150 voted "Yes" and 59 voted "No".

Moderator Arnold requested that the meeting be adjourned. Alan Fessenden moved with Richard Maghakian seconding this motion. At 9:41 P.M. the Special School District meeting adjourned.

Respectfully submitted,

Marlene Swearingen Morgan  
School District Clerk

## BROOKLINE SCHOOL DISTRICT ANNUAL MEETING

8:00 P.M.  
MARCH 8, 1990

The Brookline Annual School District Meeting was held on Thursday, March 8, 1990 at the Brookline Elementary School. Moderator Thomas Arnold, Jr. opened the meeting with the reading of the warrant.

1. To see if the District will vote to authorize the School Board to make application for and accept on behalf of the District any or all grants or funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire, or from any other sources.

Miriam Jepson moved that the Brookline School Board be authorized to make application for and accept on behalf of the District any or all grants or funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire, or from any other sources. The motion was seconded by Richard Maghakian and the voice vote was in the affirmative.

2. To see whether the District will vote to indemnify and save harmless from loss or damage any person employed by the School District and any member or officer of its governing board or administrative staff from personal financial loss and expense, including reasonable legal fees and costs, if any, arising out of any claim, demand, suit, or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property in accordance with the provisions of RSA 31:105.

This motion was moved and seconded by Marcia Farwell and Pat Malenfant, respectively. Paul Konig moved to add words "in connection with school functions" and was seconded by George Gray. A voice vote was in the affirmative to amend the main motion as follows:

To see whether the District will vote to indemnify and save harmless from loss or damage any person employed by the School District and any member or officer of its governing board or administrative staff from personal financial loss and expense, including reasonable legal fees and costs, if any arising out of any claim, demand, suit or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property in connection with School District functions in accordance with the provisions of RSA 31:105.

The main motion was accepted by a voice vote in the affirmative.

3. To see if the District will vote, pursuant to the provisions of RSA 195 A:14 III, to withdraw from the Brookline-Hollis Authorized Regional Area Plan, effective opening day of the 1991-92 school year.

Pat Malenfant moved that this article be passed over with Nancy Brodeur seconding. Voice vote was in the affirmative.

4. To see what sum of money the District will vote or raise and appropriate for the purchase of property(s) and/or for a down payment toward the purchase of property(s) for a school site in the school district; and to determine whether such appropriations shall be raised by the issuance and sale of serial notes or bonds upon the credit of the Brookline School District in accordance with the provisions of New Hampshire Revised Statutes Annotated, Chapter 33, as Amended; and to authorize the Brookline School Board to obtain State, Federal, and any other aid which may be available; and to authorize the Brookline School Board to determine the time and place of payment of principal and interest, fixing the rate of interest thereon, the provisions for the sale of notes and/or bonds and all other matters in connection therewith; and to take any other action relative thereto.

Basil Harris moved that action on this article be deferred until after Article 7 and was seconded by B. Dennehy. Voice vote was in the affirmative.

5. To see what sum of money the District will vote to raise and appropriate for the purpose of architectural planning for the schools to be accomplished in the 1990-91 school year.

Basil Harris moved that this article be passed over and was seconded by Alan Fessenden. Hand vote was in the affirmative.

6. We the residents of the Brookline School District find the State of New Hampshire to be negligent in the funding of Public Education, thus creating an undue burden on the local property taxpayers. We demand that the State of New Hampshire Legislature begin in earnest to study methods for substantially increasing State aid to education.

Basil Harris moved that the resolution expressed in Article 6 be approved, and forwarded to the New Hampshire State Legislature and was seconded by George Gray. Discussion followed with comments made re: implications. The motion carried via a hand vote of 72 to 22.

7. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries of School District Officers and Agents, and for the payment of statutory obligations of the District.

Basil Harris moved that the District raise and appropriate the sum of Two Million Eight Hundred Twenty-Three Thousand Seven Hundred and Sixty-Four Dollars for the support of schools, for the payment of salaries of School District Officers and Agents, and for the payment of statutory obligations of the District. Pat Malenfant seconded this motion.

Questions and comments followed. Basil Harris presented a summary of the budget process, comparison costs, outline of debt service and highlights from handout. Additional comments and questions followed with participant Nancy Brodeur proposing to reduce the total amount by Thirty Thousand Dollars (\$30,000) and outlining the specific cuts according to accounts. Arthur Belair supported. Discussion followed re: % of salary increases, what a budget decrease may affect, class size, tuition costs to Hollis Jr./Sr. High Schools and quality of education. Nancy Quick moved and Mr. Kerouac supported that discussion be terminated. Voice vote was in the affirmative to vote on reduction of the proposed budget by \$30,000 amendment to the main motion.

A hand vote carried 67 to 38 to amend the main motion by substituting Two Million Seven Hundred Ninety-Three Thousand Seven Hundred Sixty-Four Dollars with the previously proposed Two Million Eight Hundred Twenty-Three Thousand Seven Hundred and Sixty-Four Dollars school budget. Additional comments were made with a hand vote in the affirmative requesting a vote on the main motion that the District raise and appropriate Two Million Seven Hundred Ninety-Three Thousand Seven Hundred and Sixty-Four Dollars for the support of schools, for the payment of salaries of School District Officers and Agents, and for the payment of statutory obligations of the District. The motion was defeated 54 to 51.

Betty Hall motioned to reduce the proposed budget by Fifty Thousand (\$50,000) Dollars. Esther Brown seconded. Alan Fessenden requested a motion to vote on the amendment with Arthur Belair seconding. Hand vote was in the affirmative. Pat Malenfant requested a written ballot vote. Polls opened at 9:52 to vote on reducing the proposed budget by Fifty Thousand Dollars. Polls closed at 10:18 P.M. Moderator Arnold announced a ballot vote in the affirmative to authorize the District to raise and appropriate the sum of 2,773,764 Dollars for the support of schools, for the payment of salaries of School District Officers and Agents and for the payment of statutory obligations of the District by a margin of 72 to 44.

4. Warrant Article 4 was read by Moderator Arnold.

Basil Harris moved that the District raise and appropriate the sum of Five Thousand Dollars for a down payment toward the purchase of property for a school site in the school district, that the sum be added to the 1990-91 School District Budget. Judy Bennett seconded this motion.

Discussion followed re: rationale and long term planning. Betty Hall motioned that the words "option to buy" be substituted for down payment. Alan Fessenden seconded. A hand vote was in the affirmative to vote on amending the motion in order for the District to raise and appropriate the sum of Five Thousand Dollars for an "option to buy" toward the purchase of property for a school site in the school district, that the sum be added to the 1990-91 School District budget. A hand vote was in the affirmative to Approve this Warrant Article as reworded.

8. To transact any other business which may legally come before said meeting.

There being no other business to come before the meeting, a citizen moved that the meeting be adjourned and was seconded by Patricia Malenfant. Voice vote was in the affirmative with Moderator Arnold adjourning the meeting at 10:40 P.M.

Respectfully submitted,

Marlene Swearingen Morgan  
School District Clerk

## **SUPERINTENDENT'S REPORT**

(Brookline)

This 1990 Report includes information regarding the events and activities in which I have been involved.

**Budgeting-** Each year I initiate the processes that lead to the budgets that are voted upon in March at the Annual School District Meetings. By January we have developed preliminary budgets that are reviewed by the Finance Committee in Brookline, the Budget Committee in Hollis, and the Advisory Finance Committee of the Hollis/Brookline Cooperative School District. Public hearings are held prior to the March meetings.

In Brookline a School District Budget of \$2,778,764 was approved by the voters on March 8, 1989. On March 19, 1989, a Hollis School District budget of \$7,992,477 was approved by the voters. On May 23, 1990, the voters of the newly formed Hollis/Brookline Cooperative School District approved a budget of \$19,370.

The 1991-92 School Administrative Unit #41 budget, in the amount of \$321,057 was approved by the SAU #41 School Board on December 11, 1990.

**Cooperative School District Activities-** On February 12, 1990, the Articles of Agreement for the Hollis/Brookline Cooperative School District were approved in both towns. On May 23, 1990, School Board members were elected and the Organizational Meeting was held. On June 6, 1990, the Cooperative School Board held its first official meeting.

During the course of the 1990-91 school year, the Cooperative School Board has been working on establishing policies and procedures which will take effect on the date of operating responsibility - July 1, 1991.

The addition of this new district has dramatically increased the workload in the SAU office. Numerous meetings, both of the Board and its committees, plus the tasks involved in separating the Cooperative School District budget from the Brookline and Hollis budgets and building a new budget have added to everyone's activities.

**Curriculum Renewal Process-** Our SAU #41 Curriculum Renewal Process calls for an examination of specified subject areas each year. To date we have concluded committee reviews in Business Education, Health, Home Economics, Mathematics, and Music. Pending are reviews in Art and

Physical Education. During the 1990-91 school year areas to be reviewed include Computer Education, Library/Media, and Industrial Arts.

**Evaluation Procedures for Administrative Staff-** During the 1989-90 school year, the SAU #41 School Board appointed a committee to examine evaluation procedures for administrators. The committee has not yet completed its task.

**Labor Relations-** The Brookline School Board began negotiating its very first collective bargaining agreement with the Brookline Teachers' Association in October, 1990. Contract language, salaries, and fringe benefits were all items being discussed in the negotiating sessions which had reached Impasse in January, 1991.

In December, 1990, the Hollis School Board and the Hollis Education Association reached settlement on negotiations over salaries and fringe benefits for the 1990-91 and 1991-92 school years. The 1990-91 settlement was limited by the amount (\$214,425) approved by the voters at the 1989 Annual School District Meeting.

Earlier in the fall, the Hollis School Board and the Hollis Education Support Staff Association achieved a similar settlement which was based on the \$49,000 authorized by the voters at the 1989 Annual School District Meeting.

**Building Problems at the Brookline Elementary School-** Since the completion of the 1988 addition at the school we have been experiencing problems with the entire roof, and with portions of the heating and ventilation system. The Brookline School Board has filed a suit against the parties involved in the construction project. Preparing for the suit has taken an enormous amount of time and effort. At this time it is impossible to predict when the case might be settled.

**Business Administrator and Special Education Director-** A series of interviews and reference checks resulted in the employment of Ron Chapman as the new Business Administrator on July 9, 1990, and Mary Anne Byrne as the new Special Education Director on August 6, 1990. Ron Chapman replaced Ernest Muserallo, who had resigned in March, 1990. Mary Anne Byrne replaced Sharon Reinig, who became the Assistant Principal at Hollis Elementary School.

**School Improvement Program at Hollis AREA High School-**

On July 1, 1990, year two of the three year involvement of Hollis AREA High School with the NH Alliance for Effective Schools began. The School Improvement Program (SIP) Team holds several meetings per month, and is assisting the school in fostering improvement in areas identified as needing attention.

**School Board Policies. New and Amended-**

The Brookline School Board appointed a Policy Committee which has been reviewing all of the existing Board policies, amending and/or deleting some, and writing new policies for eventual Board approval.

In Hollis, considerable time has been spent writing, amending, and approving policies such as attendance regulations at Hollis AREA High School; Equal Opportunity Employment (for all districts); job descriptions for Principals, and Drug-Free Workplace Policies (for all districts).

The Hollis/Brookline Cooperative School Board appointed a Policy Committee which has been preparing new policies for the new district.

My major Goal for the 1990-91 school year continues to be the orderly transition of the new Hollis/Brookline Cooperative School District from a district with no employees and/or schools (in 1990-91), to a district fully responsible for the secondary schools as of July 1, 1991.

For their understanding, support, and assistance during the past school year, I wish to thank the members of the Brookline, Hollis, and Hollis/Brookline Cooperative School Boards, the Building Principals and Assistant Principals, members of the SAU #41 Staff, the individual school staff members, and the citizens of Brookline and Hollis.

Respectfully submitted,

Philip J. Dahlinger  
Superintendent of Schools

SPECIAL EDUCATION DIRECTOR'S REPORT  
BROOKLINE ANNUAL REPORT

Following the mandates of Public Law 94-142 and the New Hampshire Standards for the Education of Handicapped Students, School Administrative Unit (SAU) #41 provides special education programs and related services to meet the unique needs of educationally handicapped students in the Brookline School District. Both the Federal and State Laws guarantee a "free, appropriate public education" to all students ages 3-21. Whenever possible, we are committed to meeting the needs of students through in-district programs, so that we also meet the requirement of providing special education programs in the "least restrictive environment".

1990 has been a productive, successful year for the Special Education Department. All district-wide special education programs have been approved by the Department of Education, Bureau of Special Education, until June 30, 1993, as a result of the successful On-Site Review in February, 1990.

The On-Site Report cited the following commendations specific to Brookline Elementary School: Well organized, smooth running resource room program; good record-keeping and monitoring of programs; strong administrative support; caring, positive personnel; close cooperation between resource room, related services and the classrooms; and admirably effective mainstreaming.

Commendations for the Hollis Junior High School and Hollis Area High School special education programs included: Congenial, flexible, caring, enthusiastic staff; excellent administrative support; excellent integration/participation within regular education programs; great teacher/pupil rapport; well-organized files and good implementation of forms.

SAU #41-wide commendations noted the improvement of cost-efficiency in special education and the implementation of policies and procedures that have been put in place as a result of the addition of the position of Director of Special Education since the last On-Site Review.

Procedural and policy revisions that were called for as a result of the On-Site Review were filed with the State Department in October, 1990. The Local Special Education Plan was revised, approved by the School Boards and submitted to the New Hampshire Department of Education, Bureau of Special Education in November, 1990. This Plan received New Hampshire Department of Education approval in December, 1990.

In August, 1990 Mary Anne Byrne was nominated as Director of Special Education to replace Sharon Reinig. Ms. Reinig has continued to provide technical assistance and support to the Special Education Department and the new director in her current position as Assistant Principal at Hollis Elementary School. The transition to a new director went smoothly and the Special Education Department continues to work cooperatively to provide consistency among programs.

The Special Education Department goals for the year included: increased collaboration between regular education and special education personnel, continued improvement in the quality of special education service delivery and determination of departmental needs for future staff training. Through monthly special education staff meetings, regularly scheduled special education staff meetings, in-service training sessions and special education committee work, staff members have assisted in revising policies and procedures and have received training in their implementation. Dedicated special education staff members continue to enhance our team process and network and collaborate department-wide.

Special Needs students from the Brookline are provided with a continuum of services and placements within SAU programs. Brookline currently has a total of 51 students identified as educationally handicapped following the SAU #41 Team Process of Referral, Evaluation, and Placement.

At the Brookline Elementary School, a total of 20 students are being served within the Resource Room program as specified in each child's Individual Education Plan. This special education program is supported by additional services as required, i.e., Speech and Language Therapy, Occupational Therapy, Physical Therapy, Psychotherapy.

At the Hollis Junior High School, two programs are available to meet the needs of educationally handicapped students. The Resource Room program provides academic support services and related services for a total of 28 students, including 9 from Brookline while the Special Needs Intermediate Class at Hollis Junior High provides a cost-effective in-district program for students requiring a more intensive learning environment.

At Hollis AREA High School, Brookline students are served within the Resource Room program or within an alternative Special Needs Self-Contained program for students requiring a more intensive environment. The Resource Room provides academic support services for a total of 49 students, including 11 from Brookline and the Pre-Vocational program serves a total of 15 students, of which 5 are from Brookline. Both programs offer excellent academic support and alternative classes to meet the needs of educationally handicapped students within the building.

In addition to in-district programs, the Special Education Department also monitors the programs for 6 Brookline students who require programs outside the district. A long-term goal for each student is to be educated in the least restrictive environment, and whenever feasible, to return to appropriate in-district programs.

To meet the requirement of early identification of preschool students, Brookline will be participating once again in the SAU #41 Child Check Screening this spring. The purpose of the screening is to identify and monitor potentially handicapped preschool students, and to identify and provide services to those determined to be educationally handicapped.

The Special Education Budget reflects all costs for in-district programs and materials, out-of-district tuitions, and transportation, evaluation and placement services, related service costs and salaries for teaching staff. To help offset the costs for out-of-district tuitions, the district is expected to receive Catastrophic Aid funding from the State of New Hampshire. Brookline will receive federal funds to help offset School District expenses for psychological and educational evaluations. An important goal of the Special Education Department is to continue to provide cost-effective services to Brookline students.

Respectfully submitted,  
Mary Anne Byrne

SCHOOL BOARD

HOLLIS/BROOKLINE COOPERATIVE SCHOOL DISTRICT  
ORGANIZATIONAL MEETING

May 23, 1990

The Hollis/Brookline Cooperative School District's Organizational Meeting was held on Wednesday, May 23, 1990, at the Hollis AREA High School. Present were:

AREA School Plan Review Board

Nanci Mitchell, Chairperson

Roxanne Gross

Basil Harris

Anita Walker

Philip J. Dahlinger, Superintendent of Schools

The meeting was called to order at 6:45 a.m. by AREA School Plan Review Board Chairperson Nanci Mitchell who, after welcoming those in attendance, read the Warrant which had been posted at the Hollis AREA High School. Chairperson Mitchell asked for nominations from the floor for the position of Temporary Moderator. Thomas Arnold and James Belanger were nominated. Chairperson Mitchell declared the balloting open. Those citizens who were present were checked off on the voter checklists from each town, and issued paper ballots, with instructions to write either Thomas Arnold or James Belanger on the ballot. Completed ballots were deposited in the ballot box under the supervision of the Chairperson.

At the conclusion of the balloting, Chairperson Mitchell asked if there were any voters present who had not voted. There being no response, the balloting was declared closed, and the ballots counted by Nanci Mitchell and Philip Dahlinger. Nanci Mitchell announced the results as follows:

Thomas Arnold: 11

James Belanger: 4

Page 2

Chairperson Mitchell declared Thomas Arnold elected as Temporary Moderator.

Nominations for Temporary Clerk were then requested by Mrs. Mitchell. Wendy Enright was nominated. There being no other nominations, it was moved by Thomas Arnold and seconded by Susan Durham that the Chairperson be directed to cast a unanimous ballot for Wendy Enright as the Temporary Moderator. The vote was called for and the motion was approved unanimously. Nanci Mitchell declared Wendy Enright elected as Temporary Clerk.

James Belanger, Justice of the Peace, then administered the Oath of Office of Temporary Moderator to Thomas Arnold. Thomas Arnold, Temporary Moderator, then appointed Gerald Hornik as Assistant Temporary Moderator and administered the Oath of Office of Assistant Temporary Moderator to Gerald Hornik.

At 7:08 a.m. Chairperson Mitchell thanked those in attendance for coming, and announced that the Organizational Meeting was recessed, reminding everyone that the polls had opened at 7:00 a.m. in Hollis and would be open at 10:00 a.m. in Brookline, as posted. She added that following the close of the polls, the meeting would reconvene at the high school at 7:30 p.m. to consider the remaining Articles on the Warrant.

HOLLIS/BROOKLINE COOPERATIVE SCHOOL DISTRICT  
ORGANIZATIONAL MEETING  
May 23, 1990

The Hollis/Brookline Cooperative School District Organizational meeting was reconvened at 7:40 p.m., May 23, 1990 at Hollis Area High School. The meeting was called to order by the Temporary Moderator Thomas Arnold who briefly explained the proceedings of the previous part of the meeting that took place early in the day. He then introduced those present: Nanci Mitchell, Roxanne Gross, Basil Harris, Anita Walker and Judy Bennett, Supt. Phil Dahlinger and Temporary Clerk, Wendy Enright.

ARTICLE 3: Basil Harris of Brookline moved that the reports from the Area School Plan Review Board be accepted as printed in the Report prepared for February 12, 1990, Cooperative School District vote. Seconded by Mike Harris of Hollis. No discussion. Motion carried by voice vote.

ARTICLE 4: Judy Bennett of Brookline moved that two auditors be elected at large at the School District Elections in March, 1991, for a one year term, whose responsibility it will be to audit the School District accounts for the 1990-91 school year. Motion seconded by Mike Harris of Hollis. Discussion followed.

Jim Belanger of Hollis asked why auditors would be elected. Judy Bennett responded that the review board felt that it was not worth the expense to hire an auditor for a budget of only \$19,000. However, the school district may opt to include money in the 1991-92 budget to hire a CPA firm to review the budget when it increases to the size of a normal school budget.

Wayne Gelusha of Hillside Drive, Hollis, proposed an amendment stating that the auditors "serve until July 1991" rather than for one year. This was seconded by Jim Seager of Hollis. Discussion followed with various opinions on how effective it would be to cut the auditors term short of the one year time span. Gene Sidore moved the question. Motion passed by teller card vote. The proposed amendment was defeated by voice vote.

ARTICLE 5: Nanci Mitchell moved that the District raise and appropriate \$19,370 for the purpose of paying the operational expense of the District and any statutory costs for the period ending June 30, 1991. Motion seconded by Roxanne Gross of Hollis. Nanci Mitchell explained that the \$19,370 is for the year 1990-91 which is the year prior to actual operation of the Coop but it would fund the planning stages for the new Cooperative School Board. Hollis taxes would provide \$14,150 of the figure and Brookline \$5,220 with a tax impact of 3 cents/thousand dollars for both towns.

Discussion followed on Line 15 of the budget which designates \$5,000 for a "consultant/negotiator". Ms. Mitchell explained that this was included to provide latitude to a new school board with little experience in the area of negotiations to seek professional advice.

Marcia Farwell of Old Milford Road, Brookline, expressed concern about the legality of starting negotiations for the new Cooperative before the teachers have been hired or formed a union. Ms. Mitchell explained that this would be in an effort to make the transition from the Area High School to the Cooperative as smooth as possible. In Plymouth, NH teachers negotiated before they were hired or had formed a union and this was approved by the PELRB Board (Public Employee Labor Relations Board).

Mike Harris pointed out that line items 15 and 23 are needed if only to attain legal advice for the proper wording of any contract and counseling of a new school board unfamiliar with contract negotiations.

Ben Bustinduy moved the question. Seconded by Jim Mitchell. Motion passed by teller card vote.

Article 5 passed by teller card vote.

ARTICLE 6: Roxanne Gross moved that the district apply for, receive and expend such grants or aid as may be available to the District from Federal, State or local sources for use in carrying out the purposes and objectives of the District. Seconded by Rebecca Spitz. Passed by teller card vote.

ARTICLE 7: Roxanne Gross of Hollis moved that the Cooperative School District vote to elect the School District Moderator, members of the School Board, and all other school district elective officers by separate ballot at the annual town meeting of each of the pre-existing school districts, as allowed by RSA 671:22, said action to take effect during the 1991 calendar year. Seconded by Anne Caldwell of Hollis.

Mike Harris asked if that meant that the first year term would not be a full calendar year. He was told that, yes, it did mean that.

Jim Squires asked to amend the motion to read: "...Cooperative School District vote to elect the School District Moderator..." Moderator Arnold accepted the request to change the wording of the motion. Michael Gross of Hollis moved the question. Seconded by Anne Caldwell. The motion passed by voice vote.

Article 7 as amended passed by teller card vote.

ARTICLE 8: Roxanne Gross moved that the Cooperative District vote that the Supervisors of the Checklist of each town, acting as Supervisors of the Checklist for the Cooperative School District, shall make, correct and post in each pre-existing school district a checklist of the voters in each pre-existing district, and shall certify to the same, acting as Supervisors of the Checklist of the Cooperative School District, and shall attend all future Cooperative School District meetings in accordance with RSA 671:17. Seconded by Gerry Hornik. Motion carried by voice vote.

ARTICLE 9: Phil Dahlinger moved that the District express thanks and appreciation to the members of the Area School Plan Review Board who spend countless hours in evening meetings to work out the details of the Articles of Agreement, and to prepare the final report. Those Board members are: Judy Bennett, Betty Desrosiers, and Basil Harris from Brookline and Nanci Mitchell, Roxanne Gross and Anita Walker from Hollis. Seconded by Mike Harris.

At this point Moderator Arnold explained that the ballots for the School Board election would be counted and the results televised so people could go home.

The meeting was recessed at 8:30 p.m. to count ballots.

## Results of the Cooperative School Board election:
